### The cost of following Christ

God has created us free. Nothing must come between us and God. Yet we are often distracted by worldly things and possessions. Jesus teaches us that we will need commitment and dedication if we are to follow him. In this we will discover the true freedom for which God made us.

None of you can be my disciple unless he gives up all his possessions.

### The Holy Father's Prayer Intention - For the abolition of the death penalty

We pray that the death penalty, which attacks the dignity of the human person, may be legally abolished in every country.

#### Sharing the Word

##### First Reading

This is the conclusion of Solomon's prayer for wisdom. Indeed no one can arrive at God's counsels without wisdom. God, the creator of the universe, is all-wise. In contrast, faces with the mysteries of the universe, the meaning of history, and the mind of the Creator, human beings are ignorant. However, God does not leave us in our ignorance, but bestows the gift of wisdom on all who humbly seek it.

##### Second Reading

Philemon was a Colossian who had been converted by Paul himself. His slave Onesimus had run away and had somehow reached Paul in prison. Paul wants to send him back to his master and provides a covering letter. He urges Philemon to take Onesimus back, not as a slave, but as a brother, since he is now a Christian like himself. Here we see the fundamental attitude of the early church to slavery. Because their existence was such a tenuous one, it was not possible for them to tackle the issue of slavery head on. The best thing they could do was to insist that slaves should be treated well and not as chattels. In time the leaven of the gospel would lead to the abolition of slavery.

##### Gospel

Jesus was on his way to Jerusalem. He knew that suffering, rejection and death awaited him at the end of that journey. He spoke about the cost of discipleship. The disciples must be ready if need be to sacrifice the

dearest things in life. Discipleship is a serious calling. It could mean persecution and even death.

This special once in a lifetime event will provide an opportunity for people of all ages and backgrounds to experience special gifts and charisms of Lourdes in a church or cathedral near to their home. ### LEPRA

We are looking for people to cheer on our 12 amazing and courageous participants in this year's London Marathon on 2<sup>nd</sup> October. They are taking on all the training that goes with this, as well as raising a minimum of £1,750 each. Now the marathon is back in person, rather than virtually, we would love to have as many people as possible supporting on the day to cheer on our runners around 9am-1pm. It is a really lovely day out with an amazing atmosphere and the chance to thank our amazing team by cheering and motivating them as they come past Mile 11 (near to Rotherhithe Station). If anyone would like to support us it would be greatly appreciated, and they are welcome to bring friends and family along too!
